Seconded by Cllr. Orriel.

Resolved: To approve the above payments and action the Clerk to write to G. Marsden

LITTLE RIBSTON PARISH COUNCIL

1940 To Note Correspondence received

Open letter received November 2018

An open letter from the Monitoring Officer had been received by little Ribston Parish Councillors in November 2018. The letter reported on the findings of two Code of Conduct complaints against residing Councillors.

A discussion took place about how the Parish Council had previously dealt with the findings of the Code of Conduct complaints against Cllr. Bell and former Councillor A. Sewell.

Cllr. Bell read out the following statement to update the Council on the matter.

Cllr. Bell's statement

At the time when all Councillors received the open letter reporting the findings that I and Councillor A. Sewell had been found guilty of breaching the code of conduct, I didn't receive it.

In my case it was stated that I had a monetary and pecuniary interest in a planning application and therefore breached the Code of Conduct. I would not accept this as neither I nor my husband had any pecuniary interest in this application as no payment was received. I merely wrote on an envelope that I had no objection to the planning application and as far as I am concerned the Clerk ignored my comment and sent in the majority view to the planning department.

The Monitoring Officer suggested my breach could be resolved by ethical training which I declined, as accepting this, would in my view be the same as accepting my guilt.

I have written to the Monitoring Officer explaining the reasons for not accepting the findings and that I was taking legal action. I have not had a reply from her even though it's been several months.

Cllr. Leather proposed that it be noted that the complaint against Cllr. Bell was still ongoing as Cllr. Bell had not accepted the findings and was awaiting a reply from the Monitoring Officer before considering her position.

Seconded by Cllr. Orriel

Resolved: To note that Cllr. Bell's response to the findings documented in the open letter was still ongoing

1941 To discuss the issue of speeding traffic in the village

Cllr. Leather opened a discussion about the problem and possible solutions

Cllr. Bell reported on the measures tried over the last twenty years which included Placard demonstrations, speed stickers on bins, liaising with the police, speed gun volunteers, flashing signs and rumble strips, discussions with Audi Garage

LITTLE RIBSTON PARISH COUNCIL

Cllr. Leather proposed that the Clerk write to the authorities to ask how the Parish Council could try and reduce the speeding problem.

Cllr Bell to pass onto the Clerk the contact details of the Policeman she has recently contacted in her capacity as Chairman.

Cllr Orriel seconded.

Resolved: To action the Clerk to contact the Police about the issue and to pass on the details of the community speed gun group to Cllr. Leather to follow up.

1942 To consider using the village group email and Facebook to advertise meetings.

Cllr. Leather opened the discussion about the use of Facebook and emails.

Cllr. Bell explained that LRPC publish meetings, agendas and minutes on the village noticeboard and the village website (littleribston.com) therefore everyone had access to the information.

The Clerk explained that she doesn't use Facebook and there would be a GDPR issue with emailing everybody in the village (may be considered spam). Also the administrator of the Facebook Group had expressed reservations about previous Facebook postings of the Council.

Resolved: That the Council would not use social media or the village email list to advertise LRPC meetings

1943 To consider improving the biodiversity of the village's verges.

Cllr. Leather distributed leaflets explaining how biodiversity can be improved and opened a discussion about how it could be introduced to the village verges.

Resolved: To action Cllrs. to read the literature and consider the issue.

1944 To consider the adoption of the NALC standing orders

Due to time constraints it was agreed to place this item on the next agenda

Resolved: to add standing orders as an item on the next agenda

1945 To Note items for the next agenda

- Nalc standing orders

1946 To approve and note the date for the next meeting.

RESOLVED: To note and approve December 3rd 2019 at 7.00pm in the Village Hall as the date, time and venue for the next meeting

Meeting closed at 8.35pm
